Unit 1: Parts of Speech

This unit explains nouns, verbs, adjectives, and adverbs in detail. Each word plays a key role in constructing meaningful sentences. Understanding parts of speech allows students to identify grammatical relationships.

Unit 2: Tenses

This unit focuses on the concept of time in English grammar. There are three main tenses—past, present, and future—each with four forms. Mastery of tenses enables precise communication.

Unit 3: Essay Writing

Essay writing helps express ideas in a structured form. This unit teaches the introduction, body, and conclusion structure with examples and tips for effective writing.
